

### Werner Leuschner Enterprise Ltd.

Incorporated in 1999. Its founder and president, Werner Leuschner, who had a successful 16-year career in construction and land development in Europe, immigrated into Canada and started W Leuschner Enterprise Ltd. Since then, WLEL has become the umbrella company for Werner's multiple construction and land development companies. WLEL's primary focus has always been foremost on quality construction, building excellence, and customer satisfaction. This focus is responsible for its large and accomplished portfolio of commercial, residential, condominium, and development projects across southern Ontario.

### GSP Group Inc.

GSP Group is an employee-owned firm providing land use planning, urban design and landscape architecture services to public and private sector projects. From our Kitchener and Hamilton offices, we offer integrated services to support commercial, institutional, and residential development. Since 1995, we've used our expertise as we lead and collaborate with stakeholders to create and communicate highly effective planning and design solutions. GSP Group believes in professional integrity, innovation and creativity, collaboration, and delivering service excellence; we are shaping great communities.

### Real Estate Redefined.

No, we're not your typical real estate brokerage. Rego Realty is one of North America's fastestgrowing real estate firms, having tripled in sales volume over the last four years – and we're still growing. For nearly two decades, our four divisions—from Residential to Commercial properties, Luxury Homes, and New Developments—have shaped us into an organization of industry-specific experts. Qualified to provide insight into a dynamic collection of real estate services, our team's agility and knowledge are unmatched in any marketplace.

### Gillam Inc.

A progressive construction management firm with a mission to raise the bar in the planning, management and delivery of construction projects. Our goal is to provide high quality, customer-oriented construction services through transparency, teamwork and trust, resulting in successful projects and long-term relationships. We specialize in construction management, design-build, general contracting and integrated project delivery services on ICI and residential projects ranging in value from \$10,000 to \$150 million and beyond. Gillam employs approximately 130 people based out of our head office located in Toronto and our regional office in Kitchener-Waterloo.

### ABA Architects Inc.

ABA Architects Inc. is an award winning firm that provides architecture, site planning and interior design services to private and public sectors throughout Ontario. Our attention to detail and focus on a collaborative design process results in modern spaces that are bold, functional and enhance the existing context and landscaped environments around them. ABA's unique approach to design is strongly rooted by the interdisciplinary relationships created by their site planning, architecture and interior design departments.

### We craft unforgettable bespoke user experiences

We are a digital creative agency focused on enhancing product value and creating desire by connecting with end clients through a meticulously crafted impactful story. Our team's main pillars are based on Clever strategic insights, an insatiable thirst for engaging with the audience in a way that's never been done before and our love for pioneering new tech, which allows us to deliver unforgettable, bespoke user experiences.
